ABOUT US

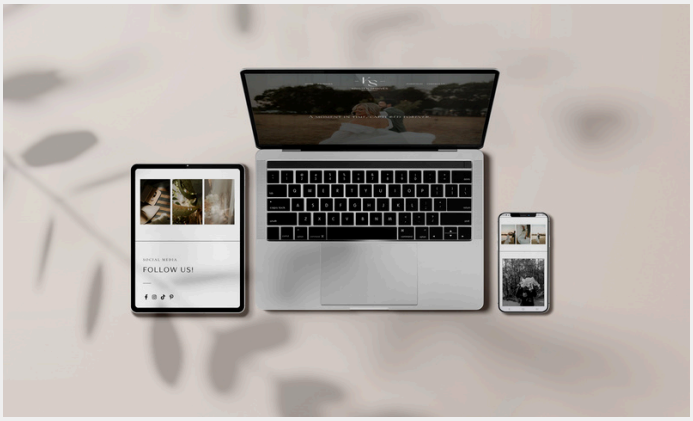

Dear Valued Client

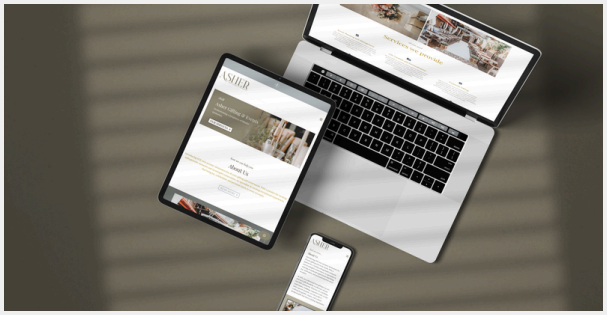

At By His Grace Studios, we're dedicated to turning your business vision into reality. We custom-design each website to reflect your unique ideas, brand identity, and style — helping you stand out and thrive online. Whether you're a startup, small business, or established brand, we have packages tailored to suit every need and budget!

Looking for personalized features? We offer a variety of add-ons and extras, including:

- Product or Service Pages
- Meet the team sections
- Blog or News Page
- Contact Forms & Maps
- Social Media Links & Call-to-Action Buttons
- Booking or Inquiry Forms

...and more! Just share your ideas, and we'll bring them to life.

What sets us apart...

Personalized Service & Relationships: We take the time to understand your business goals and build meaningful relationships with our clients.

Professional, Eye-Catching Design: Every website is thoughtfully designed to reflect your brand, attract attention, and leave a lasting impression.

Fully Responsive Websites: All our websites are optimized for both desktop and mobile — ensuring a smooth, seamless experience for every visitor.

with love,

Lucy Badenhorst

INFORMATION WEBSITES

All of our information website packages include the basic features listed below. Each package varies, with additional features detailed under each option.

Please note:

- Your domain requires an active hosting plan for your website to go live.
- Hosting and domain fees are separate from the design cost.
- Hosting prices vary depending on the size and requirements of your website.
- Hosting can be paid annually or monthly, under strict payment terms.
- Domains must be renewed annually to ensure your website remains active.

With your hosting plan, you will also receive 2–10 professional email addresses (depending on your hosting package), all linked to your domain for consistent branding.

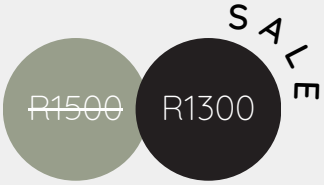

All websites we design are fully responsive and optimized for all devices — providing a smooth browsing experience on phones, tablets, and desktop computers.

If none of our offered packages perfectly suit your needs, you are welcome to contact us to create a custom package tailored just for you.

Please note: The packages listed below are for informational websites (non-e-commerce).

Each package includes the following basics:

- Short summary / introduction
- About us section
- Contact us section (with business hours, location map, address and contact details as well as a contact form.
- Call to action buttons
- Social Media links
- Basic SEO

E-COMMERCE WEBSITES

All of our e-commerce website packages include the basic features listed below. Each package varies, with additional features detailed under each option.

Please note:

- Your domain requires an active hosting plan for your website to go live.
- Hosting and domain fees are separate from the design cost.
- Hosting prices vary depending on the size and requirements of your website.
- Hosting can be paid annually or monthly, under strict payment terms.
- Domains must be renewed annually to ensure your website remains active.

With your hosting plan, you will also receive 2–10 professional email addresses (depending on your hosting package), all linked to your domain for consistent branding.

All websites we design are fully responsive and optimized for all devices — providing a smooth browsing experience on phones, tablets, and desktop computers.

If none of our offered packages perfectly suit your needs, you are welcome to contact us to create a custom package tailored just for you.

Please note: The packages listed below are for e-commerce websites (online stores).

(Built with WordPress + WooCommerce)

All of our online store packages are fully responsive, user-friendly, and beautifully designed to help your business thrive online.

Each store is built using WordPress + WooCommerce, giving you complete control to manage products, orders, and sales through both your website and the WooCommerce mobile app — simple, convenient, and designed for everyone.

Each package includes the following basics:

- WordPress + WooCommerce store setup
- Secure checkout setup with payment gateway integration (PayFast, Yoco, or preferred method)
- Shipping setup (flat rate, local pickup, or regional options)
- Cart, Checkout & My Account pages
- Basic SEO setup
- Social media links integration
- Responsive design for all devices (desktop, tablet & mobile)
- Video training showing you how to add and manage your own products (with Q&A support if needed)
- Access to the WooCommerce mobile app for easy store management

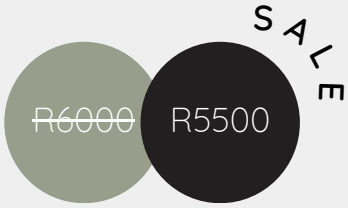

EC1 – STARTER ONLINE STORE

Perfect for small businesses launching their first online shop.

Includes:

- Up to 5 website pages (Home, Shop, About, Contact, Policies, etc.)
- WordPress + WooCommerce setup
- Payment gateway integration
- Shipping setup
- Cart, Checkout & My Account pages
- Social media links
- Basic SEO setup
- Responsive design for all devices
- Video training on adding and managing products
- Access to WooCommerce mobile app

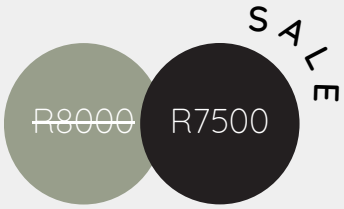

EC2 – STANDARD ONLINE STORE

Ideal for growing businesses that want a more detailed and structured website.

Includes:

- Up to 8 website pages (Home, Shop, About, Contact, Policies, FAQ, etc.)
- WordPress + WooCommerce setup
- Payment gateway integration
- Shipping setup (multiple options or zones)
- Product category setup (e.g., Clothing, Accessories, Homeware, etc.)
- Cart, Checkout & My Account pages
- Social media links
- Basic SEO setup
- Responsive design for all devices
- Video training on adding and managing products
- Access to WooCommerce mobile app

E3 – PREMIUM ONLINE STORE

Designed for established brands that want a professional, feature-rich online shop.

Includes:

- Up to 12 website pages (Home, Shop, About, Contact, Policies, FAQ, Shipping, Returns, etc.)
- WordPress + WooCommerce setup
- Payment gateway integration
- Advanced shipping setup (regional/national rates or courier options)
- Product category & filter setup (by price, popularity, or category)
- Coupon and discount system setup
- Cart, Checkout & My Account pages
- Social media links
- Basic SEO setup
- Responsive design for all devices
- Video training on adding and managing products
- Access to WooCommerce mobile app

Additional Information:

- Product uploads are not included in package pricing.
- If you'd like us to upload your products, this service is charged at R15 per product.
- Domain and hosting costs are separate from the design fee and depend on your hosting plan size.
- The number of products your store can hold will depend on your hosting plan's capacity.
- Custom online stores (with bookings, subscriptions, or membership functionality) will be quoted individually.

FAQ

Q: Can I book now for later?
A: Yes, you can! 50% deposit is required to book on any sale price. The other 50% is due when you are ready to start with the design.

Q: How do I book?
A: You can send us an email or whatsapp with the code for the package you are interested in.

Q: How long does it take to design the website?
A: The design process takes 7-20 working days to be completed. It will depend on the package you are interested in. Your lead-time will be on your quotation.

Q: If I need my website designed faster than the above lead-time, what can I do?
A: We do offer an express-design option at a fee (only applicable to information websites), (R1000 extra, after hour fees) then we design your website for you within 5 working days.

Terms & Conditions

By proceeding with any of our services, you acknowledge and agree to the terms outlined by By His Grace Studios. Our full Terms & Conditions can be viewed at www.bhgstudios.co.za/terms. Please review them carefully before booking, as they contain important information regarding payments, timelines, intellectual property, and project scope.

CUSTOM-DESIGNED

Every website we design is custom-built to reflect your unique brand identity — from the overall layout and color scheme to the smallest design details. We take the time to understand your business, target audience, and goals to ensure your website aligns perfectly with your brand's voice and visual style. Whether you prefer a clean, modern look or something bold and creative, your website will be thoughtfully designed to capture your vision, showcase your brand personality, and leave a lasting impression on your visitors.

THE FACE BEHIND THE BUSINESS

Meet the designer...

Hi there!

My name is Lucy and I am the designer and director at by His grace studios. I started this business with one goal in mind - to make a difference. I have a passion for design and I love challenges.

I take on every project with a smile and I always tend to get excited along with my clients about the design. I aim to make a difference by creating memorable designs.

If you have any questions, I would love to answer them! Feel free to send me an email or a WhatsApp with your query.

I look forward to hearing from you and designing a wedding website that you will love and always remember.
